National Women’s History Month — March 1-31, 2024

2024 Theme: “Women Who Advocate for Equity, Diversity and Inclusion”.

“The theme recognizes women throughout the country who understand that, for a positive future, we need to eliminate bias and discrimination entirely from our lives and institutions.

Women’s History Month is a celebration of women’s contributions to history, culture and society and has been observed annually in the month of March in the United States since 1987.” It “is a dedicated month to reflect on the often-overlooked contributions of women to U.S. history. From [Abigail Adams](#) to [Susan B. Anthony](#), [Sojourner Truth](#) to [Rosa Parks](#), the [timeline of women’s history milestones](#) stretches back to the founding of the United States.”
